VA Forms

Search VA Forms

Welcome to the Department of *Veterans Affairs* Forms web site.

Forms on this site are available in several formats. Fillable pdf can be filled on-line, printed, saved and edited. **XFT** forms can be filled on-line, printed, and saved to your pc but cannot be edited later (**TURN OFF YOUR POP-UP BLOCKER TO USE XFT**). Some **PDF** are printable blank forms.

You can download viewer software at <https://www.va.gov/viewer.htm>

To find a form, enter the form number (example: 12-1234 or 1234) or a word from the form's title or subject.

Form Number:

Title / Keyword(s):

[Home](#) > Find VA forms

Find VA forms

Search for a VA form by keyword, form name, or form number. Many form tasks can now be done online like requesting a copy of your medical record or updating your address for your VA prescriptions.

Keyword, form name, or number

Search

Top tasks for frequently downloaded VA forms

Whether you're looking for a form to file a disability claim or apply for the GI Bill, many top tasks are now also available as secure online applications. To get started online, go to a top task below. We'll walk you step-by-step through the process. You can even save your work online and come back to it later.

[File a VA disability claim](#)

Includes DD214, DD215, release papers, orders and endorsements, and more

V1 draft of search results redesign

<http://preview-prod.vfs.va.gov/preview?nodeId=2352>

Find a VA form

Search for a VA form by keyword, form name, or form number.

Keyword, form name, or number

caregiver

Search

Displaying 1 - 1 out of 1 results for "caregiver"

Form number▲	Form name	Revision date
10-10CG (PDF)	Instructions for Completing Application for Comprehensive Assistance for Family Caregivers Program	04-01-2016

Table format hews closely to current live experience.

Pros

- Easy to scan.
- Clear labels.

Cons

- Not mobile friendly.
- Content and design restrictions due to limited column width and # of possible columns (desktop and mobile).

V2-3 drafts of search results redesign

<http://preview-prod.vfs.va.gov/preview?nodeId=2352>

Removed results out of table and display as list.

Pros

- Mobile responsive
- More aligned with typical modern search results UX.
- Allows us to link to form detail landing page that provides more contextual information, using existing design pattern.

Cons

- Not sortable.
- Currently, the actual search functionality doesn't rank results by relevance (so the right form will likely be on not page 1 of results).

V2-3 drafts of search results redesign: Interaction differences from our initial design

<http://preview-prod.vfs.va.gov/preview?nodeId=2352>

The screenshot shows a list of search results for VA forms. The first result is for form 10-10065, with a revision date of 05-01-2016, related to Health care, Disability, and Life insurance. Below this is a link to 'Download VA form 10-10065 (PDF)'. The second result is for form 10-10072, titled 'Supportive Services for Veteran Families (SSVF) Program APPLICATION FOR SUPPORTIVE SERVICES GRANT >'. It has a revision date of 08-01-2013 and is related to Health care, Disability, and Life insurance. Below this result is a link to 'Download VA form 10-10072 (PDF)' and an 'Apply online' button. The third result is for form 10-10072A, titled 'Supportive Services for Veteran Families (SSVF) Program Participant Satisfaction Survey >'. It has a revision date of 04-01-2011. Annotations in purple boxes highlight specific elements: 'form detail landing' points to the title of the second result; 'Initiate download (not browser view)' points to the download link for the second result; and a larger box explains that the 'Apply online' button is for 'Online tool'/'Go to online tool' - Some tools are not 'apply' tasks, like changing your address, downloading your medical records.

Revision date: 04-01-2011

form detail landing

Initiate download (not browser view)

"Online tool"/"Go to online tool" - Some tools are not 'apply' tasks, like changing your address, downloading your medical records

1. Link the form title to detail landing page, where users can get more contextual information for the top forms (like "When to use this form" information).

Note: We may launch without linking to detail pages, if we're blocked by DB or Drupal constraints.

2. Download link actually initiates download. This helps resolve bad error experience on certain VA forms due to form configuration and browser settings colliding.

3. Online CTA will be genericized to cover tools and tasks that are not "apply" or "file" activities.
