Hi Lance and Welcome to GovernmentCIO and to the
Veterans Services Applications ("VSA") project!

We are very happy to have you join our project. I hope you are ready to fall in
love with your new job and meet your new colleagues.

I have attached to this email two documents the first one you can access it
directly by clicking the following link "**Eng Onboarding**" in that document you
will find useful information and links to help you on getting acquainted with the
project and "**VSA Engineering Onboarding.pdf**" our Engineering on
boarding presentation.

Your MacBook should be arriving in the next couple of days via mail. We are
sorry for the delay and we will work with you thought the onboarding process.

If you have any questions, we will be happy to answer. Please don't hesitate to
contact me by Slack ("Preffered") or by email jcosta@govermentcio.com or
phone 787-233-8366.

Again, congratulations. We are thrilled to you have you join the team and look
forward to meeting you!
