PANEL 1
Hero banner

Required

Hero banner includes H1, an optional hero blurb, and a required CTA.

The hero banner can include an image. If no image, it will render with a gradient background color.

Increasing access to health care with MISSION Act

You may be able to use approved non-VA medical providers, if you're enrolled in VA health care.

Enroll in VA health care

H1 Required

Maximum 51 characters **with spaces**.

Refer to the style guide on H1s (page titles): **www.design.va.gov/content-style-guide/page-titles-and-section-titles#page-titles**

Hero blurb Optional

Complete sentence—this is your opportunity to add more SEO value. Maximum 100 characters **with spaces**.

Call to action Required

PANEL 2
Why this matters

Required

Quick summary of the essential take away for the reader.

If they read nothing else on this page, they should still be able to take away the most important fact or point of your campaign.

On mobile, this will take up much more space; localized content can also experience text expansion of at least 30%

Why this matters to you

Beginning June 6, 2019, you may be able to use approved non-VA medical providers (that we call "community care providers"). It depends on the type of health service, if the doctor is in VA's approved community care network, and other factors. To get care through community care providers or VA, you need to be enrolled in VA health care.
